RE: Liability Insurance Information

Dear Nevada Licensed Child Care Provider

Thank you for your interest in our insurance services.

We are pleased to offer you information about general liability coverage for your family child care. We believe that this coverage is comprehensive yet affordable. There are some important coverage limitations and exclusions. Also, this information can change and the proposed terms and rates, prior to being bound, could change or be withdrawn by the insurance company without notice.

Coverage for **your property** is not included. We suggest that you contact your homeowners' insurance company to give you *Incidental Business Property Coverage* on your business property. Usually they exclude business property from your homeowner's insurance policy but it can be added for a small fee. It should not cost you very much. If you rent, a renter insurance policy does the job just as well.

Workers Compensation coverage is not included. Nevada Law requires this insurance if you have even just one employee. Contact the *State Fund* (listed in State of Nevada Government white page listing, usually under *Department of Industrial Relations*). They have a plan that will vary depending on your actual payroll.

Vehicle Coverage is not included. *Medical expenses* up to the policy's limit are included but this should not be confused with *vehicle liability insurance*. If transporting children is part of your child care service, this is called *livery*, or transporting passengers for a fee. Most private vehicle insurers exclude coverage for livery. After an accident, First Aid and bandages will use up your medical expense coverage; if something serious occurs, vehicle liability insurance would be your least expensive protection. We have several insurance plans available. But, insuring a vehicle for livery & your personal use will cost more than for just personal use. Livery coverage liability limits are usually higher too. Call us.

To Start Your General Liability Coverage, we need the following items:

1. Completed Application for **Family Child Care Liability Insurance**.
2. Your payment, payable to *Accord Insurance Services*. We can accept your check or cashiers check. You may 'Check by Fax' (Please note that if your check is not honored by your bank when first presented, there is a \$100 service fee and all coverage will be rescinded and a new application for coverage will be required).
3. If you want monthly payments, send us 40% down. As a general rule of thumb the balance will be billed to you in 9 monthly installments plus about \$10 per month service charge.
4. A copy of your facility license, or letter from *Social Services*.

If you feel that for any reason the following program will not suit your needs or if you have any questions or want additional information, please call us.

Best Regards,

Steve Richards
